FOR IMMEDIATE RELEASE

Miles Berger
owner of Lincoln
Motel

After numerous meetings with Mayor James and members of his administration, Berger Hotels Corporation has concluded that the Lincoln Motel in Newark will no longer accept new guests from the City of New York, Human Resources Administration. Those guests already occupying rooms will be permitted to continue to occupy those rooms until the City of New York can relocate the families back to New York. Furthermore, Berger Hotels will lend its aid to the City of New York in that we will try to make available comparable room space in our New York properties.
